The scholarships may as usual be drawn and disbursed to the scholars by the heads of of the schools concerned after obtaining due acknowledgements from them in the salary acquittance rolls of the schools.

In the case of Aided Schools the scholarship bills should be countersigned by the Inspecting Officers who are in direct charge of them before the bills are presented at the treasury for encashment.

If any of these students have since been awarded any other scholarship the fact should be reported to this Office immediately by the heads of the schools concerned since more than one Government Scholarship can not be allowed to be held by one and the same scholar simultaneously.
